Hobsonville Point Price List

HOBSONVILLE POINT
Moments away, a world apart.

Welcome to Hobsonville Point

Congratulations. You've made the first step towards purchasing a brand new home in Hobsonville Point, Auckland's newest and fastest-growing suburb. Hobsonville Point is so much more than a housing subdivision. It's a master planned community in the making, complete with all of the amenities that make an area the kind of place people like to live, like shops, cafés and bars, parks and schools.

Types of homes for sale

Every new home at Hobsonville Point has been architect-designed to cater for modern life in Auckland; to maximise space, minimise demands on our time and bank balance (and the environment), and give us that connection with nature and our community that makes life so much richer.

A strong community is a diverse one, so we're building a range of homes to suit all ages and stages. The way we do this is by partnering with a master developer for each precinct. We and the developer then select building companies that will provide a variety of homes. Each building company works with different architects and designers to create different plans, using a range of materials. This creates a varied streetscape, but more importantly, provides choice for a broad cross-section of homebuyers.

Apartments

Apartments offer residents a compact living arrangement that frees up time and money with their no-fuss, low maintenance requirements. They're generally sited close to shops and transport routes due to their higher-density form. Apartments are available as a single home amongst many in an apartment building or block, or as a walk up whereby two homes are allocated to a building: one below, and one above (accessible via a staircase).

Terraces

Terraces are often referred to as townhouses. They take up less land than a traditional standalone home, compensated for by their height so you get more out of your budget (and better views). Terraces allow for separation of private and shared living spaces across multiple floors.

Duplex

A duplex is one of two terraced houses that share an adjoining wall. They have all the advantages of a standalone terraced home for a fraction of the price. Like the standalone terrace, they also allow for separation of private and shared living spaces across multiple floors.

Standalone

Standalone or detached homes are designed and built with young and larger families in mind. These homes are bigger than the higher-density homes available at Hobsonville Point, with a land area closer to that of a typical New Zealand suburban home, and generally include private outdoor backyards and living spaces.

Axis Hobsonville |

Axis Series homes are available as one, two or three-bedroom apartments, terraces, duplex or standalone homes. Turn to the back page of this price list for more information on the Axis Series.

-  STAGE/BLOCK

Hobsonville Point Precincts

Hobsonville Point is divided into precincts. Each precinct is planned and designed in detail and in accordance with consents issued by Auckland Council and a Comprehensive Development Plan. This ensures consistency in design and development controls across each precinct while maintaining the geographical and historical characteristics that are unique to each area.

BUCKLEY

Buckley A

The Buckley A neighbourhood is the heart of Hobsonville Point. The first precinct to be developed at Hobsonville Point, Buckley A is well established with completed roads, mature landscaping and is home to Catalina Café, Hobsonville Point Park and Hobsonville Point Primary School.

BUCKLEY

Buckley B

This neighbourhood has a focus on providing a range of homes priced at or below the median for the area. Buckley B includes Hobsonville Point Secondary School, which opened in 2014.

CATALINA

Catalina

Catalina precinct is located at the northeast end of the peninsula. Catalina precinct's overarching characteristic is 'green' – more than two-thirds of the land's perimeter is bounded by open space, including 11ha of parkland at Te Onekiritea Point (Bomb Point), and a central tree-lined avenue that runs through the middle of the precinct.

CATALINA AKL BAY NZ

Catalina Bay

Come completion, Catalina Bay will be a commercial, retail and hospitality hub for the community. Heritage buildings along the waterfront have been refurbished and repurposed and are now home to a range of great bars, eateries and food and coffee purveyors. Commercial and residential spaces are now being developed and are available for purchase soon. A daily ferry service to downtown Auckland operates from the wharf at Catalina Bay.

Hudson

The Hudson precinct consists of three neighbourhoods close to the water's edge, the coastal walkway and the heritage mansion, Mill House. These neighbourhoods are a very short walk from the Catalina Bay eateries, bars and Farmers Market.

Launch Bay

The historic Marlborough Oval is the focal point of this 4.2-hectare neighbourhood. At the front of the oval on large waterfront sites are four former Officers' homes which have had their exteriors renovated and plans drawn up for extensions. Twelve large four-bedroom homes will be built at the back of the Oval facing north and apartments will make the most of the harbour views. Launch Bay is a five-minute walk from Catalina Bay's retail and restaurants via the coastal walkway or the streets.

Sunderland

The Sunderland neighbourhood is a north-facing precinct with 19 refurbished heritage homes on Sunderland and Cochrane Avenues. These old homes and their large gardens lend character to the neighbourhood. Sunderland's new homes have been designed to complement the old airforce-era houses.

Te Uru

The Te Uru Precinct is next to the Hobsonville village and shops and close to the Hobsonville Point Secondary School with easy access to both the northwestern motorway (SH 16) and Upper Harbour Highway which links to State Highway 1.

Edgewater

Near the water's edge and coastal walkway, the Edgewater Apartments offer modern two-bedroom homes with stunning vistas and harbour views. Complete with modern styling, quality fixtures and fittings and only a short walk to the ferry port these apartments are the perfect choice for the city commuter.

Kerepeti

Kerepeti is a unique development in Hobsonville Point. Designed by Context Architects, the Kerepeti neighbourhoods - Kerewhenua and Uku - offer a range of housing options to suit every family size, stage and budget.

Kerewhenua

Meaning yellow clay, the Kerewhenua is being built by Classic Builders and Naylor Love. With 111 homes in this neighbourhood, there are a range of one to four bedroom homes with various layouts and typologies including terraced homes, apartments and walk-up apartments.

Uku

The new Uku apartments offer spacious 70m²+ two bedroom and 93m²+ three bedroom apartments within the Uku neighbourhood and featuring modern styling and clever layouts that make for a comfortable family and pet-friendly home. Each has a balcony or outdoor patio space, with a choice of outlook facing West, North or East towards the harbour and beyond.
