

HOBSONVILLE POINT
Moments away, a world apart.

Hobsonville Point Better for you, Better for the Planet

Hobsonville Point homes are designed to be a delight to live in, while saving you money and using our precious resources wisely. Every home built here exceeds the building code in terms of energy and water use. Your new home will have double-glazing throughout, insulation levels above the building code, a raintank, energy efficient lights, showers, toilets and taps; and is oriented to make the most of the sun.

Below is just a small selection of homes. See the full price list at the end of this brochure, or visit the Information Centre at 1 Hastings Street to find out more.

SMALLER HOMES

Tread lightly on the earth in a smaller home, without compromising on practicality or style.

TERRACE

LIGHTBOURNE TERRACES

Light-filled, architecturally designed, two-bedroom terrace house with lofty 2.7m ceilings and a quality of spaciousness that defies scale.

Double-glazing, insulation throughout, energy efficient lighting and appliances and heat pumps all add up to significantly lower energy bills and a more environmentally-friendly lifestyle.

LEAVE THE CAR AT HOME

Catch the ferry, or catch friends for a drink – both a short stroll from these waterfront homes.

CLOSER TO NATURE

Enjoy the health and psychological benefits of living with nature's most sustainable material; wood.

STANDALONE

BLACKBURN POINT

These 3-4 bedroom homes occupy premium position at Blackburn Point, with stunning water and/or native bush views. The Hobsonville Point coastal walkway is virtually on your doorstep.

Designed by the renowned Steven Lawson Architects with modern living in mind. They're stylish, with light sunny open spaces, yet no compromise on family functionality.

EDGEWATER APARTMENTS

Classic Group's new waterside development is underway with the first of its two low rise apartment buildings, the Edgewater Promenade, set for completion in 2020. Edgewater is set within established gardens, close to the water and native bush. Well-designed paths link the building to the 5km coastal walkway that winds its way around the peninsula, taking in a coastal boardwalk, native bush, and the farmers market and restaurants of Catalina Bay.

THE GROUNDS

New Zealand's first engineered tall timber residential development, The Grounds, allows a beautiful, sustainable lifestyle second to none. Tall timber adds warmth and character to spaces and gives The Grounds a feeling of comfort and harmony.

This innovative development uses 'tall wood' sourced from well-managed forests, with construction methods that result in less waste, less noise, less pollution and healthier homes.

HOBSONVILLE POINT
Moments away, a world apart.

The Axis Series programme allows home buyers who meet certain criteria to enter a ballot for the opportunity to buy a house which is priced in a more affordable range.

Currently the Axis Series homes – one, two and three-bedroom apartments, duplexes and terraces – are priced between \$450,000 and \$650,000.

To find out about eligibility and how to enter ballots please see www.axisseries.co.nz.

Upcoming ballots:

Jalcon has released the following walk-up apartments in the Buckley B precinct:

‘The Crossings’

15 x Two-bedroom walk-up apartments priced at \$599,000 each

Entries to this ballot closes at 4pm on Thursday 10th October 2019, with the ballot to be held on Friday 11th October.

To learn more about these homes please visit the Jalcon Showhome at 11 Sunderland Ave, Hobsonville Point or contact Emma Archer, emma@jalcon.co.nz, 027 678 9991.
