Welcome to Hobsonville Point

Congratulations. You've made the first step towards purchasing a brand new home in Hobsonville Point, Auckland's newest and fastest-growing suburb. Hobsonville Point is so much more than a housing subdivision. It's a master planned community in the making, complete with all of the amenities that make an area the kind of place people like to live, like shops, cafés and bars, parks and schools.

Types of homes for sale

Every new home at Hobsonville Point has been architect-designed to cater for modern life in Auckland; to maximise space, minimise demands on our time and bank balance (and the environment), and give us that connection with nature and our community that makes life so much richer.

A strong community is a diverse one, so we're building a range of homes to suit all ages and stages. The way we do this is by partnering with a master developer for each precinct. We and the developer then select building companies that will provide a variety of homes. Each building company works with different architects and designers to create different plans, using a range of materials. This creates a varied streetscape, but more importantly, provides choice for a broad cross-section of homebuyers.

Apartments

Apartments offer residents a compact living arrangement that frees up time and money with their no-fuss, low maintenance requirements. They're generally sited close to shops and transport routes due to their higher-density form. Apartments are available as a single home amongst many in an apartment building or block, or as a walk up whereby two homes are allocated to a building: one below, and one above (accessible via a staircase).

Terraces

Terraces are often referred to as townhouses. They take up less land than a traditional standalone home, compensated for by their height so you get more out of your budget (and better views). Terraces allow for separation of private and shared living spaces across multiple floors.

Duplex

A duplex is one of two terraced houses that share an adjoining wall. They have all the advantages of a standalone terraced home for a fraction of the price. Like the standalone terrace, they also allow for separation of private and shared living spaces across multiple floors.

Standalone

Standalone or detached homes are designed and built with young and larger families in mind. These homes are bigger than the higher-density homes available at Hobsonville Point, with a land area closer to that of a typical New Zealand suburban home, and generally include private outdoor backyards and living spaces.

Axis

Axis Series homes are available as one, two or three-bedroom apartments, terraces, duplex or standalone homes. Turn to the back page of this price list for more information on the Axis Series.

Hobsonville Point Precincts

Hobsonville Point is divided into precincts. Each precinct is planned and designed in detail and in accordance with consents issued by Auckland Council and a Comprehensive Development Plan. This ensures consistency in design and development controls across each precinct while maintaining the geographical and historical characteristics that are unique to each area.

Catalina Bay

Catalina Bay is a commercial, retail and hospitality hub for the wider Hobsonville Point community. Willis Bond & Co have refurbished and repurposed several heritage buildings including the Sunderland Hangar and Catalina Workshops. Now home to Little Creatures brewery, The Hangar co-working space, Fabric Café and Bistro, Siamese Doll, Catalina Bay Farmers Market and several commercial tenants, stage 2 of the development brings Catalina Bay Apartments to the market.

Catalina Bay Apartments

Catalina Bay Apartments is located in the heart of Catalina Bay, Hobsonville Point. Lying at the northern-most tip of Hobsonville Point, Willis Bond & Co. have restored and re-purposed several of Catalina Bay's original Air Force buildings, creating a seaside community like no other. Designed by award-winning architects, Architectus, these residences of carefully considered proportions and generous spaces have been designed to maximise panoramic views of the Waitemata Harbour. Finished with the finest attention to detail, these spectacular freehold homes are just a 25 minute ferry from Auckland CBD. Construction is estimated to begin in 2021.

Hudson

The Hudson Precinct continues to be one of Hobsonville Points most sort after areas. With views of the Waitemata Harbour, the convenience of the Catalina Bay restaurants and ferry terminal, plus the Hobsonville Points school zoning, it's the perfect location. Classic Builders will be releasing more 3 and 4 bedroomed homes, all sited beside the Coastal walkway.

Te Uru

The Te Uru Precinct is next to the Hobsonville village and shops and close to the Hobsonville Point Secondary School with easy access to both the northwestern motorway (SH 16) and Upper Harbour Highway which links to State Highway 1.

Launch Bay

The historic Marlborough Oval is the focal point of this 4.2-hectare neighbourhood. At the front of the oval on large waterfront sites are four former Officers' homes which have had their exteriors renovated and plans drawn up for extensions. Twelve large four-bedroom homes will be built at the back of the Oval facing north and apartments will make the most of the harbour views. Launch Bay offers two apartment products, the Marlborough and Ovation. The Marlborough is Launch Bays first apartment product and provides buyers a chance to gain entry into this premier precinct. While at the waterfront edge with views overlooking the Waitemata Harbour are the newly released Ovation apartments. Launch Bay is a five-minute walk from Catalina Bay's retail and restaurants via the coastal walkway or the streets.

The Axis Series at Hobsonville Point

Axis Series homes are designed for people wanting to purchase their first home in Auckland. To be eligible, you will either be a first home buyer or in the same financial position as a first home buyer with no current interests in property. Axis Series homes range in price from \$450,000 to \$650,000.

To purchase an Axis Series home, eligible buyers must enter a ballot. The people whose names are drawn from the ballot will have the first opportunity to purchase the home they registered their interest in. To find out about eligibility and how to enter the ballot, please see www.axisseries.co.nz.

More ballots coming soon. Please check www.axisseries.co.nz
